COMMISSION-FREE SALES FROM YOUR WEBSITE

The best sale is the one where the margin is all yours!

You have spent all the money building a website and getting people to visit, now leverage that by encouraging them to book directly.

Add a 'Book Now' button to your website, and optionally stay date prompts.

BookAllotz has a modern interface which can be tailored to match your website look and feel. This includes your booking confirmation emails that can of course also include your own content.

Currency Conversion

BookAllotz automatically determines and updates the users currency preference and displays rates in that currency.

Alternate Date Recommendations

Suggests alternate dates when no availability is found for the selected dates.

Dynamic Packaging

Sell extras along with the room booking, such as airport pick ups, guaranteed early check-ins or event tickets.

Mobile First Design

More bookings now come from mobile devices than ever before. **BookAllotz** features a responsive interface to ensure a smooth user experience no matter if the booking is being made on a mobile phone, tablet or PC.

Promotion Codes

Generate promotion codes for entry at booking time so you can track which of your marketing efforts are creating the most sales.

GIVES YOU:

- ✓ Commission-free sales from your website
- ✓ Responsive interface on either mobile, PC or tablet
- ✓ Pricing shown in the user's own currency
- ✓ Easily track your marketing efforts
- ✓ Opportunity to upsell with dynamic packaging
- ✓ Flexible payment options
- ✓ Pick a URL to suit your business

Flexible Payment Options

BookAllotz supports an ever expanding range of payment processors to take payments for you using your preference of credit cards. Payment can optionally also be collected at check-in by skipping payment at booking time.

Vanity URLs

Uses an easy to remember web address for your booking site, such as **yourpropertyname.bookallotz.com**

Tripadvisor Integration

Show your Tripadvisor score so bookers can see latest reviews on your property.

Responsive interface for phone, table or PC.

Integrated with Allotz AutoPilot

BookAllotz is fully integrated with the **Allotz AutoPilot** Channel Manager and Yield Manager, sharing the same rate and availability data to ensure you get the best rates at all times.
