## House Rules

Rules are necessary, so, we'd really appreciate it if you could have a quick read of 5 courtesy rules to make everybody's stay more enjoyable.

### **#1 – If you're eating in please rinse dishes after use**

- If you use any dishes during your stay, we would be grateful if you would rinse them clean. This would be of great help as it becomes extremely difficult to wash them after the food sets on the plate or utensil surface.

### **#2 - Number of Guests**

- Ensure total guests match your booking. If you have more guests than what you have booked for, you will not be covered under Airbnb Insurance. This is bad for everyone!

### **#3 - Check Out is 10am**

Blueberry Apartments on Aston Park

#### **#4 - Lights & Heating**

- We would really appreciate it if you could turn off all lights and heating when you leave the apartment each day, and on check out.

#### **#5 – 10.00pm Noise Courtesy**

- With 6 apartments being in the complex you would be surprised how noise can travel. Please be mindful of this.
